### Legend

Decorwood® is STD MDF decorated  
 Lamiwood® is Moisture Resistant (MR) MDF decorated  
 Vertiboard® is STD Particleboard decorated  
 Structural MR® is MR Particleboard decorated with impact resistant surface.  
 Redback® is Postforming Laminate

Where 'or' is shown in chart this means that either finish/thickness is available dependent on local demand. Check with your nearest branch for specific availability.

For example: Lamiwood® 16 or 18mm means that either 16 or 18mm is available, dependent on local demand. Check with your nearest branch for thickness availability in your area.

**Chart shows availability of ex-stock products.**  
**For availability of options in other product or sheet sizes as Made To Order options call The Laminex Group on 132 136.**

D = Dimensions                      G = Gloss  
 F = Flint                                N = Natural

**Blank Spaces =** Not stocked, check with branch for Made To Order options.

NEW New to range  
 • Available in Laminex DiamondGloss® Surfaces

### Commercial Range Service Offer

Stocked at state warehouse, available within maximum 7 working days.  
 Specific lead times will be quoted for volume orders.

Maximum 10 working days ex plant plus transport time.  
 Specific lead times will be quoted for orders greater than 60 sheets.  
 All Decorwood options in extended range are available in pack quantities only.

Δ Made to order, minimum quantity of 1 sheet.  
 For E0 (lower formaldehyde) options, please check with branch for availability.  
 Some dark colours are **not** available in Structural MR particleboard.

**Note:** Some other items may be held at a local branch depending on local demand. Please check with your branch.

**All Redback®/HPL colours will be changing to a new Natural finish. This applies to all colours in either Flint or Natural finish, available only while stocks last. For availability call 132 136. Decorated Melamine Board will remain unchanged.**

Dark colours and gloss finishes are not recommended for high wear applications such as busy kitchen countertops. These colours or finishes will show scratching more readily than lighter colours or lower gloss surfaces and require higher care and maintenance.

### Commercial Range Service Offer

Stocked at state warehouse, available within maximum 7 working days. Specific lead times will be quoted for volume orders.

Maximum 10 working days ex plant plus transport time. Specific lead times will be quoted for orders greater than 60 sheets. All Decorwood options in extended range are available in pack quantities only.

Δ Made to order, minimum quantity of 1 sheet. For E0 (lower formaldehyde) options, please check with branch for availability. Some dark colours are **not** available in Structural MR particleboard.

**Note:** Some other items may be held at a local branch depending on local demand. Please check with your branch.

**All Redback®/HPL colours will be changing to a new Natural finish. This applies to all colours in either Flint or Natural finish, available only while stocks last. For availability call 132 136. Decorated Melamine Board will remain unchanged.**

Dark colours and gloss finishes are not recommended for high wear applications such as busy kitchen countertops. These colours or finishes will show scratching more readily than lighter colours or lower gloss surfaces and require higher care and maintenance.

# The comprehensive Laminex® Range includes:

## Laminex® Colour Palette

The Laminex Colour Palette includes over 200 laminate decors designed to help you make a statement. Worthy of the most discerning environment the Laminex Colour Palette represents the latest in colour and design trends. The range features inspirational designs ranging from solid colours and stone look surfaces, through to the increasingly popular woodgrain choices, making design possibility and style potential practically endless. This brochure shows the availability options for High Pressure Laminate, Board Products, Melamine and ABS Edging.

## Laminex® Innovations®

Designed with the commercial specifier in mind the Laminex Innovations range brings freedom of choice, stimulating the senses with creative surface finishes which offer movement through texture and colour, alternative materials and design. This brochure shows the availability options for the Innovations range which is intended for vertical use application only.

## Laminex® Commercial Palette

The Laminex Commercial Palette easily provides a multitude of design solutions. The range incorporates a mix of neutrals and optical solids designed as a complementary partnership to a vast selection of woodgrains, some traditional and others reflecting the contemporary look of re-engineered veneers. The Laminex Commercial Palette will inspire design for commercial applications. Available in a range of 60 decors. For more information refer to the Laminex Commercial Palette brochure.

## Laminex® DiamondGloss® Surfaces

Laminex DiamondGloss Surfaces are a range of high gloss laminates of unrivalled quality, inspired by strength and beauty. In addition to the highly desirable polished stone effect, the range now includes luscious woodgrains and optical solids and is available in a palette of 30 contemporary designs and colours. All DiamondGloss Surfaces come with a 7 year limited warranty.

## Laminex® Squareform® Benchtops

Laminex Squareform Benchtops deliver the contemporary look of a stone slab, with the practicality and economy of laminate. Featuring beautifully seamless, deep square edges and a selection of 24 stone looks in a range of contemporary sedimentary and igneous styles. All Laminex Squareform Benchtops come with a 7 year limited warranty.

## Laminex® Compact Laminate

Laminex Compact Laminate is an innovative and durable decorative panel made from thermosetting resins, homogeneously reinforced with cellulose fibres and manufactured under high pressure and temperature. As such, these panels are strong, self supporting, moisture resistant and durable. This product comes in three ranges, each with its own particular properties, applications and colours - Multipurpose Compact, Innovations Compact and Laboratory Compact laminates. For more information refer to the Laminex Compact Laminate brochure.

## Laminex® Freestyle™ Surfaces

Laminex Freestyle Surfaces are a non-porous surface that provides superior resistance to stains and bacteria. Designed for both consumer and commercial applications including, kitchen benchtops, bathroom vanities, vertical paneling, corporate fitouts, food preparation areas and commercial furniture. Delivering a smooth easy-to-clean, repairable surface with seamless joins, Laminex Freestyle Surfaces will continue to look great year after year. Available in a contemporary range of 45 colours in 12mm and 8 colours in 30mm, and supported by a 15 year limited warranty.
