MASONITE WHITECOTE

LONG LASTING AND DURABLE

COMPANY OVERVIEW

Australian Hardboards Limited is the sole Australian manufacturer of 100% all natural thin hardboards.

Well established, our greatest strength is our ability to manufacture and supply high quality, environmentally friendly and market driven products both competitively and efficiently.

Servicing the domestic, manufacturing, flooring, signage, commercial, retail, hardware and home building industries, our innovative products and services offer numerous benefits to the specifier, installer and consumer.

INNOVATIVE DESIGN

Masonite White-Cote™ is a prefinished panel ideal for kitchen, wardrobe and vanity backs and drawer bottoms. Having a superior paint finish ensuring long lasting durable performance, Masonite White-Cote is more affordable with less wastage than its competitors.

BENEFITS

- Masonite White-Cote™ generally has a **density value of 1020kg/m³** which means that Masonite White-Cote™ is **less likely to suffer indentations from knocks and point loading elements.**
- Masonite White-Cote™ meets the **Australian Standard AS/NZS 4386.2 for thin cupboard backs.** This provides peace of mind to the specifier, installer and end user in knowing what Masonite White-Cote™ is a quality fit for purpose product.
- The Masonite White-Cote™ base product **does not contain hazardous chemical resins and is emission free.** Manufactured from sawmill waste and forest thinnings, sheets are bonded using natural binding agents (lignins).

This means Masonite White-Cote™ gives fewer emissions than alternative products.

- Masonite White-Cote™ is **pre-finished with two layers of high quality, environmentally friendly water based paint.** Masonite White-Cote™ is **highly resistant to scuffing, scratching and abrasions** and is **easily cleaned** with most household liquids.
- Hardboard timber species have **superior performance factors** than softwood timbers.
- Masonite White-Cote™ has an **excellent surface for gluing** and is a more durable panel for wider pantry cupboards.

HEALTH AND STORAGE

Store flat, under cover on a horizontal pallet or on supports spaced at 450mm centres. Do not leave in direct sunlight. Inhalation of dust generated from processing Masonite White-Cote™ may cause irritation and sensitisation by inhalation (asthma) and by skin contact (dermatitis). Repeated inhalation of wood dust increases the risk of nasal cavity cancer and of lung fibrosis (scarring). Do not breathe dust. Wear a respirator if using power tools.
